Year 10 Camp - Tautuku

On Wednesday 9th September, our Year 10 pupils set out for Year 10 camp, at the Tautuku Outdoor Education Centre, located in the Catlins. Students started their camp by walking the King's Rock walk from Papatowai to the lodge, while also having an abseil at the highest point on the walk. Upon arrival at the lodge students geared up for the infamous mud run - and it didn't disappoint! Students were covered from head to toe in mud with only their smiles visible. Day Two consisted of completing some kayaking, a high and low ropes course, orienteering and a climbing wall challenge. It is fair to say there were many laughs on this day, despite rain most of the time. On the last day students participated in a compass traverse through native Catlin forest. What wonderful memories we all walked away with after this camp so thank you to each and every person involved!

Gateway Programme and Options Evening

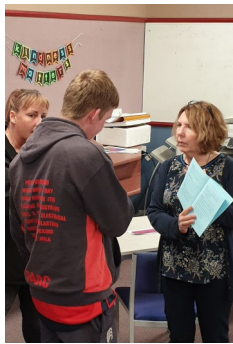

Last week was the final week for our Year 11 students to be out at their Gateway work placements. Pictured (below left) is JD Mcleod installing gib board. He has really enjoyed his experience. We would like to thank all of the employers who have had students this term. On Thursday 17th September, we held an Options Evening for all Year 10, 11 and 12 students. This was an excellent opportunity for students and their parents to talk through future directions and get advice about subject choices for next year. This evening was well attended despite the wet weather.

Inside this week....

- School Newsletter
- Student Profile
- What is Restorative Justice?
- New Deck for TELC
- Toddlers and Sleep
- Club Reports and Results

JD on the job as part of the Gateway Programme.

Isaac discusses options with his mum and Miss Hart; Claudia and Stevie talk to Mrs Whaley at the Options Evening.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Working together to inspire excellence in education, in character and in life.

Tena koutou katoa,

First week of the term break – it seems the weather is not going to be kind to us over the next week here in Milton. I encourage our young ones to make the most of any sunshine over the next fortnight and get out and about in the fresh air.

Staff - A special thank you to all the staff for their hard work over the past term. Although many of you will no doubt have marking to complete and preparation for next term, I encourage you all to take some time for yourselves and do those things you really enjoy.

School Ball - What a delightful evening last Friday at the annual school ball. The young people certainly went all out in preparation for the night, girls looking beautiful in their ball dresses and the young men looking grown up and handsome. Hard luck story goes to Regan Roxburgh who on Friday discovered her dress for the ball was not going to arrive until Monday! After a quick rush to a store she did manage to find a replacement outfit and looked stunning. A special thank you to the Year 13 students on the ball committee – they did an outstanding job planning and organising the evening. It is always interesting to see the amazing array of cars used to transport our young people to the Coronation Hall for the event. The most novel transport this year went to Rose Gibson and Harley Butler, who arrived in a fire engine – and the colour perfectly matched Rose's dress and Harley's tie.

Term 4 – Change of Afternoon Times - As from the first day of Term 4 **classes will finish at 3.00pm** at the end of the day. This will allow more time for students to finish off with teachers before heading to their buses – note that buses will still leave at the same time – 3.15pm. It will also allow extra time for tutorials for senior students as they head towards the external examination period.

Senior Options - Senior students have been through the process of selecting their courses for 2021 over the past two weeks. For those who have not yet handed in your selections, please complete the google form sent out on Friday to all senior students. A copy of the option booklet is available on the school Facebook Page.

Junior Options - Early next term, Year 8 and 9 students will have an opportunity to select their option subjects for next year.

Information will be sent home for students to discuss choices with parents/caregivers/whanau members. We will also provide parents with the opportunity to come into school to discuss options with teachers.

Jobbortunities - Are you looking for a holiday job, change of jobs or

interested about finding out what jobs are available in our community? If so, you need to attend "JOBORTUNITIES" at the Cross Recreation Centre, Balclutha, 4 - 7pm on Thursday 1st October. Examples of the businesses who will be represented are: Calder Stewart, Denone, Silverfern Farms, Fonterra, RTL Transport, Fruit growers, University of Otago, Otago Polytechnic, Wine Growers, SIT, to name a few. This event is open to all members of the community.

Year 13 Scholarships - We have a number of scholarships open to school leavers and applications are now open. Applications must be in by Wednesday 28 October. Scholarship recipients will be announced at the prizegiving on Thursday 10 December.

Trail Bike Ride - Plans are underway for this year's trail bike ride. The PTA are on track with their planning and Griff and his team are organizing the route. Online registration is now available – there is a link on the Tokomairiro High School website. Be sure to mark the date in your diary, Saturday 31st October.

Healthy School Lunches

We are very excited that all the schools in Milton are to become part of the Healthy School Lunches programme. This means that all of the young people of school age in Milton will be provided with a free healthy lunch through their school. This is an opportunity for local business. Please email me at thsprincipal@tokohigh.school.nz if you would like more information about this opportunity.

Hockey Turf Fence Repair - We are looking for someone with some fencing skills to volunteer some time to repair some of the fencing around the hockey turf here at school. If you can help out please contact our Property Manager, Alan Robinson (0274178744). Your help will be very much appreciated.

Student Profiles - You will find a student profile for our senior students in each edition of the Genesis over the next few weeks. We want to share the success and passions of our young people and what has been special for them at Tokomairiro High School. This week is our deputy head student, Tarryn Roxburgh.

Year 6 Students and Parents

All year 6 students should have received Information packs for 2021 Year 7 and enrolment forms. **We ask that enrolment forms be completed and handed in to Tokomairiro High School office by Friday 16 October.** If you have any questions, or would like to have a look around the school at any time, we are happy to organise this – please contact the school office.

A transition programme is currently being put together and Year 6 students will have an induction programme next term. We also organise an interview time for each Year 6 child and their parents, early next term.

Term Break - Finally, I encourage all our young people to have a great break – look after yourselves and be kind to those around you. Come back to school next term feeling refreshed and ready to focus on your learning for term four. For senior students working towards external examinations, it is a great chance to complete all internal assessment work, sort out notes and books and get ready for the focus on preparing for those externals.

Remember, our doors are always open. Please come and talk to us if you have any concerns.

Regards
Glenis Sim,
Principal

Thankyou

What is Restorative Justice?

Restorative Practice is widely accepted in New Zealand schools and a growing number of schools worldwide as a more effective alternative to traditional punitive behaviour management systems. The premise of Restorative Practice is a relational approach to school life grounded in beliefs about equality, dignity, mana and the potential of all people. The system is designed to help students to build empathy and understand what harm has happened and then try to put right that harm. In contrast, traditional punitive systems see students receive an often pre-determined consequence for an incident. Once this consequence is completed the student is inserted back into the flow of school without learning how their actions have affected others or without learning any skills to try and stop repeating the same behaviours.

Restorative Practice works by understanding the story behind the story. This is done by listening to all of the people involved or close to an incident that can be students, teachers and whanau. The stories are used to:

- explore what has happened and who has been affected
- hold those who have caused harm accountable for their actions
- provide support to those who have been harmed, and others involved.

Resolving incidents using Restorative Practice can vary in formality and number of participants depending on the incident. However, a Mini Conference, Classroom Conference or Formal Restorative Conference all require commitment from *all* the participants and preparation to be successful.

Bible Reading for Today

Above all, love each other deeply, because love covers over a multitude of sins. *1 Peter 4:8*

Student Profile Tarryn Roxburgh (Year 13)

What is your favourite subject and why?

Biology, Chemistry and Physics. I enjoy learning how the world works around us as well as being challenged.

What opportunities have you had at our school?

Multiple leadership courses throughout my senior years, alongside house captain, deputy head girl and sporting trips/tournaments.

How do you think Tokomairiro High School has set you up for life after school?

Made me think about how there are so many opportunities after school and that I am capable with the right mindset and motivation.

What is your favourite thing about Tokomairiro High School? Getting to know everyone well due to the small school size. Followed closely by interhouse competitions, like athletics, as well as sports exchanges with East Otago and Blue Mountain.

What will you always remember about school?

The relationships formed between peers, students and teachers.

TELC on Johnson's New Outdoor Space.

Our new covered deck was completed back in July and it has been a wonderful asset to our centre, which everybody is really enjoying. The space offers us a sheltered outdoor area on wet days, which has been a real bonus with all the wet weather we have had recently and it is also a great place to set up outdoor experiences. In the past few weeks, we have used it for water play, set up a reading corner with pillows and blankets, built huts and brought out the constructions sets for the children to play with. We have also positioned the carpentry table up on the deck, which has been really popular and the children have enjoyed the opportunity to practice their hammering and sawing skills.

The construction of the deck would not have been possible without all the support we have received from our local community and we are very grateful for this. A big thank you goes to our major sponsors- The Otago Community Trust, the Alexander MacMillan Trust, Milton Lions Club, Milton Rotary Club, Kai Car Show, Calder Stewart Ltd, Tiffs Engineering Ltd and Sumpter Moore. We would also like to thank all the local businesses and members of the community who have made donations towards this project.

Toddlers and Sleep

"I don't want to go to bed!"

Bedtime refusal or delay tactics of why your toddler wants to stay up is something I typically come across when working as a sleep consultant. They become quite skillful negotiators at an early age and can find many reasons to delay bedtime, from wanting a glass of water, to needing help finding a teddy, to then needing to go to the bathroom... sound familiar? Having a predictable evening routine, making sure they've done and have everything they need along with some bedtime rules that are easy to understand and follow will help make bedtimes more manageable.

How to resolve bedtime antics and more will be covered at the Toddlers & Sleep evening in Milton on Friday 30th October, tickets can be purchased from The Hub, 61 Union Street or from www.littlesleepcoach.co.nz/events

News From the Trenches

Just a reminder that there is less than three months to Xmas 2020. Paddy is determined to stay up to midnight on News Years Eve to ensure 2020 does disappear, never to be mentioned again!!!

This coming Saturday at 9am we will be having a Working Bee - we will be cleaning up the upstairs rooms and moving items to our storage container. It would be fantastic to get 20 people, and it would be all taken care of in a couple of hours, so please make an effort to be there.

If anyone is interested in tracking down a family member's war medals, I've been informed there is a guy called Ian Martyn who runs a free of charge service in locating historic medals that may be missing from families. A neighbour of mine has had excellent result from this. You can contact Ian via email at ianmartynmedalsreunitednz@gmail.com.

We still have a couple more spuds available to purchase for our annual Spud Dig on 20th March 2021. The Friday Night Handle Club is still booming with excellent fun nights ending the week, so come down and watch NPC games on our four big TV's. Finally, the Joker draw is still attracting big numbers and the amount is well over \$2,500 in value - so get there on Thursday night to enter. Where else can you win big amounts??

Just a final road safety message, we seem to be acquiring more \$150 presents with Nick McKay possibly receiving a gift. Make sure to wear our seat belts aye??

Private Pike

Waihola-Clarendon Women's Institute Report

The Waihola/Clarendon Women's Institute held its monthly meeting on September 21st in the Waihola Bowling club rooms at 10.30am where fifteen members attended. A report of the recent Eisteddfod showed Waihola ladies received several trophies for cut flowers, floral art, baking and handcraft. Included in the programme was a Recycle Challenge "Blast from the Past". Waihola chose the 1950's as so much happened in this decade,

Eg: end of butter and petrol rationing introduced during World War 2, Yvette Williams won first female Olympic gold medal, introduction of hypodermic syringes which made it safer for diabetics world wide, Godfrey Bowen set new world record for shearing 456 full wool ewes in 9 hours, Sir Edmund Hillary and Tensing Norgay became first humans to reach the summit of Mt. Everest, first Mobil song quest, first Hamilton jet boat produced, first Transistor radio, first human trials of the "pill", first supermarket opened in Otahuhu, Brian Barratt Boyes performed first open heart surgery, 111 emergency number introduced, Chinese gooseberries became kiwi fruit and hokey pokey ice cream was introduced.

As the guest speaker was unable to attend, organising the Coffee Morning in October was attended to. Roll Call was done and Food Bank items were collected.

Motto - *I've reached the age where my train of thought often leaves the station without me.*

Sumpter Moore – Barristers & Solicitors

Milton Information Centre / Museum Report

The volunteers at the Centre have continued to work through the different levels of Covid 19 restrictions and were very pleased to be able to open to locals and visitors once lockdown was finished. There have been many travellers recently from all over New Zealand and others who have not been able to return to their home country. We just missed out on having the Annual Book Sale so there are tables set out with a variety of books, magazines etc. if you are looking for a good read. Opening hours are 10 a.m. – 2 p.m. Weekdays at present, Saturday opening will start after Labour Weekend.

We continue to receive family history enquiries, many of which come from overseas. New addition to the collections include bound copies of the Gazette which many will remember was the local newspaper from years ago. It is very interesting looking through the articles, advertisements and pictures that tell many stories. These are set out on a display table for you to browse through.

Work continues on organising the available spaces in the building with some assistance and advice from Fiona who works at Toitu Otago Settlers Museum. We also had a visit from Nissa and Shannah from Otago Museum keeping us informed of what they hope to assist with in the Clutha District. We are awaiting quotes for painting and some new carpet. Some Grant money will enable us to purchase some new replacement display cabinets. If you have an interest and some time to spare we are always appreciative of some help.

Milton Senior Citizens Club

Our meeting on Friday 25th meeting, had fifteen present, (where is everyone?) Joan Murray was welcomed back now the covid level 2 has been lifted and Audrey Adam had a hospital visit. She was sent a Get Well card and we hope she is much improved.

Arrangements are being made for our Christmas lunch - something to look forward to!

The Masters games have a team of members flexing their muscles, to put a good show on for other competitor's.

Go Milton Senior Citz!!!!

Bev Bouman won the raffle. (A bowl of fruit!)

After a game of housie an afternoon tea was served, mouse traps and muffins. Just like home! Our Pam is a great cook and baker.

The next meeting is on Friday 9th October. The speaker is Trina Newdick who will educate us about scams and how to know if they are on our devices, to be alert and be aware. Not everyone is honest and are we can be lead into temptation, which unfortunately has led some astray at great expense!

Milton Garden Club Report

On Tuesday 14th September 2020, eighteen Garden Club members travelled to *The Garden Place* in Mosgiel to see the latest trends in garden equipment and plants. The gardening gloves for \$5 a pair were a favourite item. *Mitre 10* was our next stop where we saw 3 pairs of gardening gloves for \$7 - oh dear, better luck next time. At noon we arrived at *Wal's* to go to the *Topiary Cafe* for lunch and were joined by Isobel Robinson's daughter, Diane and Becky Mathieson. The food was impressive and all enjoyed a satisfying lunch. No wonder that cafe is so busy!

The raffles were won by Judy Walker and Annette Gillies and raised over \$50 for the Club. Thanks to Daune O'Connor who supplied the raffle prizes and to all who took part. A visit to the Momona plant stall rounded off our day and we all returned home around 2.30pm.

Our next outing will be a trip to The Blue Mountain Nursery in Tapanui on Monday 12 October. We will also visit Lawrence for lunch at "26 on Ross" and have a look around. Members will be rung. Please contact Annette Gillies on 417 4173 or 021 078 6366 for further information.
