New Principal Appointed for Tokomairiro High School

It is with pleasure that the Board of Trustees announce the appointment of Mr Declan Sheridan as the new Principal of Tokomairiro High School. Declan was born in London and emigrated to NZ in 2004. Upon graduation he taught in Bristol where he met Lynda. Declan's subject area is Physical Education and he has been an HoD in the UK and New Zealand.

He taught at Te Aute College before being promoted to Assistant Principal at Hawera High School. While at Hawera he was promoted to Deputy Principal and then Acting Principal. Lynda is Head of Technology specialising in Textiles and Food.

Declan is an avid sports fan and follows football, rugby, volleyball and occasional short versions of cricket. He is a supporter of West Ham United, and he is currently a 2nd Dan Black belt in Aikido. His favourite foods include Mexican and Indian curries, his favourite Movies include Star Wars, Star Trek, James Bond and good mystery thrillers. At the top of his bucket list is to travel to India and ride on an elephant.

Declan and Lynda have two sons. The eldest Adam, is a Dentist in Wanganui having graduated from Otago and youngest son Paul has just completed his Bachelor of Commerce Degree at Victoria University. He currently resides in Wellington. Both sons are talented musicians.

Declan has a real focus on Teaching and Learning and considers what happens in the classroom as crucial to a school's success. He believes in the quote "To be a teacher is to change a life". We do this on a daily basis, what an honour and a privilege.

Declan and Lynda are planning on moving to live in Milton very early in the new year. We look forward to welcoming them to our school and to the community.

New Tokomairiro High School Principal, Mr Declan Sheridan, with his wife Lynda.

Year 9 Camp

Our annual Year 9 camp took place at Camp Columba at Pukerau early last week. Our students enjoyed activities such as kayaking, high ropes, flying kiwi, frisbee golf and orienteering.

It was wonderful to see this group of students challenge themselves and get outside their comfort zone in many of these activities.

A special thank you to Mr Nicolson, Mr Tupai, Mrs Kidd, Merlin and Christine for their help on this camp.

Taieri Mouth Volunteer Driver Service

Otago Polytechnic Occupational Therapy students are working in partnership with Project Bruce to provide transport options to access Dunedin or Milton for Taieri Mouth residents. The Milton Community Health Trust co-ordinates a successful volunteer service for the Milton residents and are happy to work with the Taieri Mouth community to provide accessible transport options.

A volunteer driver assists people by providing transport to medical and/or specialist appointments or to run errands in Dunedin.

This volunteer job requires a person who is a careful driver, has a reliable car which is registered and warranted and holds a current, clean drivers licence. No special medical knowledge is required. They need to be patient, understanding and be able to work with people of all social, religious and cultural backgrounds. A friendly, caring manner, good listening skills and confidentiality are essential, and the volunteer should also be fully Covid vaccinated. It is anticipated drivers will receive a donation for fuel from the client depending on the travel destination.

The time commitment is flexible depending on the type of appointment or errands and can be determined between the driver and the service user.

If you would like to volunteer for this service please see the advertisement in this weeks Public Notices.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Tena koutou katoa

Term Four Week Four In a normal year, our senior students would have started their exam leave this week. At present, we are running programmes to support some of our students to gain more credits, while other students are working towards either completing internal assessments or preparing for their external examinations. It is a very busy time for them all.

Our junior students are completing units of work and assessments will continue over the next three weeks. A group of teachers are currently planning events for the last week of school for the juniors – Monday 6th to Wednesday 8th December. This will be followed with Junior Prizegiving on Thursday 9th December.

Life Education Trust Pip and Harold are here this week working with the Year 7 & 8 students. The focus on this visit is identity resilience and on making good choices when exposed to substances. A special thank you to Pip for the lessons she shares with the young people.

Year 9 Camp The Year 9 students had a great time at Camp Columba last week. Thank you to Ms Cowie for all her organisation and Mr Tupai, Mrs Kidd and Mr Nicolson for giving of their time to stay at camp, and to parent help Christine Savage for her support.

Year 8 Camp Year 8 camp is at Berwick Lodge from the 23rd -25th November. Camps are great events for our young

people and often provide the best memories they have from school days.

Teacher-Only Day

A combined NCEA training day for Tokomairiro High School, South Otago High School and the Catlin's Area School, is planned for Friday 3rd December. The school will not be open for instruction on that day.

Year 6 Transition Programme

We had a lovely morning with the Year 6 students, who are registered for Tokomairiro High School, last Wednesday. It was great to meet these young people and see them engaged

in activities around the school. This even included a fire evacuation when a smoke alarm was set off above the laser cutter (thanks Mr Stevens). The students really seemed to enjoy themselves as they had the opportunity to try some of the subjects they don't necessarily get at their current school.

If your child has not yet completed their enrolment form, please contact Kara Whaley, at kara@tokohigh.school.nz, or leave a message for her at the school office (03 417 8620).

Senior Prizegiving The senior school prizegiving is planned for **Thursday 18th November**, when we will celebrate the achievements of Year 11 to 13 students and farewell our school leavers. At present, the Ministry of Education is recommending prize giving, in its usual format, does not go ahead under Covid Level 2. We are currently making plans to hold the prizegiving in the afternoon and will livestream it to parents and the wider community. Please note that Year 7 to 10 students will be released from school at lunchtime (after collecting their school lunch) on Thursday 18 November. If your child needs supervision for the afternoon, please let us know and we will organise this at school.

Student Covid Vaccination Record A Direction issued by the Secretary for Education, under the Education and Training Act 2020 Schedule 25, Clause 3, requires all registered schools who enrol students over the age of 12 years to maintain an up-to-date register with the COVID-19 vaccination status of these (eligible) students, beginning immediately. Further information will be emailed home, along with a link to a google form to be completed for each student, and a link to the Privacy Statement.

School Buses All students aged 12 and over are required to wear masks on school buses. We encourage all our students to follow this Ministry of Health guideline and ask for parental support.

Remember our doors are always open. Please come and talk to us if you have any concerns.

Genesis

The Genesis is a free publication, delivered weekly to homes and businesses in Milton and Waiholā, and is available on the school website, Facebook or via email. The Genesis office is open Monday and Tuesday 8:30am - 3:30pm. If the office is unattended, any articles, advertising or payments can be taken to the school office or left in the secure box in the office door. If you want to leave a phone message for the Genesis outside office hours, please phone the Tokomairiro High School office (417 8620).

Genesis Deadlines: Advertising - Monday 9am, Articles - Monday 12 noon. Articles/ advertisements can be emailed to the Editor at genesis@tokohigh.school.nz. Genesis is delivered FREE to your letterbox from Tuesday 4pm to Thursday 6pm.

St Mary's Christmas Trees

St Mary's Primary school are very excited that our fundraiser this year has a fantastic new supplier and a (just released!) 'locals' rate!

'Otago Christmas Trees' was born when brainstorming fundraiser ideas last year under the blanket of the Covid pandemic and the uncertainty surrounding it. The St Mary's Home and School committee was looking for that 'something a little different' - fundraising and sharing some positivity and joy to the area while also providing a product that was desirable and not obligatory.

The point of difference for this idea is that, not only do we spread a little Christmas cheer with our Christmas Trees, but we also make life easier during the busy Christmas rush... we deliver the Christmas Trees free of charge to much of the Otago area! One day a year, the St Mary's school family become Christmas elves and take the Christmas spirit door to door.

One of the most exciting developments for 2021 is all our trees this year are from an official 'Christmas Tree farm'! They are all purpose grown, specially shaped and pruned Christmas Trees. They are handpicked and cut down by our St Mary's Home and School fundraising team then delivered in top condition, hassle free!

In 2020, the support for our new idea meant we could assist our students with funds for block swimming lessons for every student and a new literacy programme in the school as well as contributing to many other activities throughout the school year. We have already sold almost half of the trees for 2021 and can't wait for delivery day on December 4th. Our focus for the students this year is a technology upgrade in the classrooms.

With no trailers needed, no competing with the Christmas crowds, just the true essence of Christmas, with that beautiful festive smell. Our buyers can rest easy knowing that one of the big jobs for Christmas is all taken care of. We look forward to having many 'St Marys elves' delivering to our community in less than a month. Make the most of our 'locals' rate' and order your 'purpose grown Christmas tree' online at <https://www.otagochristmastrees.co.nz>

The Rebus Club of Milton

At the October meeting Stan Leishman introduced himself with a brief family background and his association with Milton. He talked of his work experience from forestry to freezing works, hospital porter to theatre orderly, association with St John and then training as an enrolled nurse. This led to a visit to Cherry Farm where he became a psychiatric nurse specialising in forensic nursing. That was followed by 28 years in the police force. On his way to becoming a Detective Sergeant were lessons in death and grief, honesty and being straight up. The next step was interest in how funerals were run which culminated in his purchase of Doug Nesbit's business. He has learned a lot in all facets of the reality of death and how to manage arrangements and deal with people. No doubt his very varied life and experiences have given him a sound basis for the work and a very real empathy with people.

Time went very quickly as Stan was an interesting and entertaining speaker!

He was thanked by Noel Aitken and given a gift of fruit.

The next meeting is on Tuesday November 16 at 10 am at the RSA hall. Committee please meet at 9.30 am. The speaker is Amy Senada, the Banking Services Coordinator for the Clutha Budget Advisory Service.

Bible Reading for Today

'Now may the Lord of peace himself give you peace at all times and in every way. The Lord be with all of you.'
2 Thessalonians 3:16

Milton Sub Assn Indoor Bowls

A much better turn out this week, with all teams playing three games.

Round 1. Alex Benington, Melva Heads, Greta Jenkins (10), Pam Wells, Elizabeth Read, Eunice Benington (8). Russell Copland, Patrick Moody (8), Barbara Read, Raymond Perry (2).

Round 2: R. Copland (7), A. Benington (6). B. Read (8), P. Wells (3).

Round 3: B. Read (9), A. Benington (3), P. Wells (11), R. Copland (3).

The winners were Barbara Read and Raymond Perry with two wins and an aggregate score of 19 and runners up were Russell Copland and Patrick Moody also on two wins and a score of 18.

Don't forget summer indoor bowls are every Wednesday night at the Country Club. South Otago Indoor Bowls end of year prize giving is on Friday night at the Balclutha Bowling Club and their A.G.M is the Friday 19th November.

RSA News From the Trenches

The RSA farewelled members Aroha & Russell on Sunday as they have relocated to Blenheim, best of luck to them both. It will be nice to see them again sometime in the future when they come south for a well deserved, relaxing holiday. Sunday mornings Clay Bird Shoot went well with a bit of fun had by participants. The next session probably won't be held till February so it's time to put your weapons away tidily until then troops. I heard on my wireless that a member had an unexpected few nights in Hospital recently, their comradarie was missed last Thursday night and we wish the person a speedy recovery. Armistice Day is on Thursday 11th with the RSA will laying a wreath at the Cenotaph at 11am and observing a minute of silence. Anyone is welcome to attend.

Thirsty Thursdays Members Only Draw jackpotted again as did the Joker Draw and the Rugby Pics competition is going well too - although I think I've been backing the wrong team a few too many times lately. I'll keep listening to my wireless for a Rugby Pics function date which won't be too far away now we are getting to the semis. I've heard a few green thumb members commenting on how well their spuds are sprouting and I'm sure they will have copious quantities come Spud Dig Day on 19th March - I'm quite pleased with how well my award winning spud is progressing. Friday nights are a good, relaxing evening at the RSA with plenty of tactical discussions and laughs to be had over a thirst quenching cold brew. You don't need to be a member of the Handle Club to come down and partake in the witty banter, just pick a seat and join in. The courtesy coach is available on Thursday and Friday evenings to ensure troops safety traveling to and from headquarters, sometimes its easier to get a ride rather than walk home. I heard on my wireless that a doorstep is a good place to sleep though a bit chilly so anyone looking for comfy spot to snore just ask that trooper. Best wishes to any members having a birthday this week or marking any special occasion. As always have a good week, stay safe and make sensible decisions troops,
- Sergeant Smith
