## Tagata o le Moana

### Homeroom Highlights

During Term 3, the Year 7 and 8's learnt about different aspects of living in the Pacific Islands. They learnt about the Pasifika nations, the people, and their culture and traditions. At the end of the term, we held a *Ula Lole Ceremony* for our teachers. We gave them each an *ula* made of lollies.

## Year 10 Camp - Tautuku

During our last week of Term 3, our annual Year 10 Tautuku camp took place in The Catlins at the Tautuku Outdoor Education Centre. During our three day camp we explored parts of The Catlins on foot, in kayaks and from the comfort of our harnesses whilst abseiling off of cliffs and climbing parts of the local forest. Thank you very much to the teachers, Mr Gilling, Mr Yilma, Mr Matsas, Mr Robertson and Mrs Bungard for your help on this camp. Also to our parent help, Cathy Haar, and to our PTA for subsidising this camp.

# Tokomairiro High School Newsletter...

**SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.**

## Tena koutou katoa

Week two of the term three break – I hope all the students and staff are having a relaxing break before our final term of the year.

I flew to Northland on Thursday to visit family – got stuck in Wellington on Thursday night (due to a weather bomb), arrived in Kerikeri on Friday and then discovered Northland went into Level 3 lockdown on Friday evening. Hopefully this will be lifted by the time we are due to fly home on Thursday. Senior students, I encourage you to make the most of the time off school to complete any outstanding assessments, as you strive towards reaching the targets for your NCEA qualifications this year. For those students sitting external examinations, I encourage you all to get right up to date and plan your study timetable for the last month of the school year.

## Parent Teacher Association

This wonderful group of parents are an essential part of the support structure of our school. I will always be grateful to the PTA for the support they give, both financially and physically, to the young people of our school. As well as supporting all the students in the school on camps and trips, they have also provided funding for resources around our school. We are very keen to have more parents join this group – if you would like to find out more please feel free to contact me, our Associate Principal Vicki Wish, or email

pta@tokohigh.school.nz We would love to hear from you. The next meeting of the PTA is on **Wednesday 20 October at 7.00pm** in the school staff room – all parents are welcome.

## Junior Camps

We have a Year 8 camp and a Year 9 camp happening this term. Year 9 camp is at Camp Columba 1st to 3rd November, and Year 8 is at Berwick Youth Camp from 23rd to 25th November. These are great events for our young people and are often provide the great memories they have from school days.

## Outdoor Education Tramp

We have a group of senior students taking part in a tramp to the Silver Peaks next week. This was postponed last term due to Level 3 lockdown. This tramp is the culmination of a number of weeks preparation

and allows the students to gain Level 2 credits towards NCEA.

## School Website

We have had an upgrade to the Tokomairiro High school website. There are some great photos and information. [www.tokohigh.school.nz](http://www.tokohigh.school.nz) Feel free to investigate the site and give us any feedback you may have.

## NCEA Examinations

The Ministry of Education have made the decision to move the NCEA Examination period two weeks later. It will now go from 22 November to 14 December. As well as that, the dates for the arts portfolios have also been delayed by two weeks.

## Senior Prizegiving

Due to the delay of the NCEA examination period, the senior school prizegiving will now be held before the students begin study leave. We have decided on the evening of Thursday 18 November, when we will celebrate the achievements of Year 11 to 13 students, and farewell our school leavers. A junior prizegiving will be held during the day in December.

## Wellbeing

The wellbeing of our young people is paramount at this time. If you have any concerns about the wellbeing of any of our young people, please make contact with us.

Ross MacKinnon, our Guidance Counsellor is available to meet with young people, either online or by phone, and he will help them if they need further support. His email address is [ross@tokohigh.school.nz](mailto:ross@tokohigh.school.nz)

## Covid Vaccinations

Here is a link to the Google Form to register young people for the Wednesday afternoon clinics being run by the Milton Medical Centre: <http://bit.ly/CovicVaccinationsMilton> Just enter the name and contact details and the Medical Centre staff will make contact to book a time.

Remember our doors are always open. Please come and talk to us if you have any concerns.

We would like to celebrate these students in this year's school magazine.

Please email [genesis@tokohigh.school.nz](mailto:genesis@tokohigh.school.nz) with details and I will be in touch.

*'Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms'. 1 Peter 4*

## New Community Chaplains

Milton now has two Community Chaplains; Rebecca Heperi and Raewyn Devlin.

Affiliated to Mt Zion Church and Tokomairiro Co-operating Parish respectively, Rebecca and Raewyn have met the requirements, been police checked and having now been commissioned by their churches and the Outreach and Church Ministeries (OAC) are getting out and about. "We are here for OUR community.

We both live in Milton and are here for Milton. We look to provide another level of support for our people through conversations, linking with other community groups to help, and through prayer and our faith in Jesus Christ.

Connections build community – and we both want to do our part to make this happen. We will be about; down at the Hub, at local functions and walking around. We are ready to listen and to help".

## Mau Rākau Wānanga

In the first weekend of the holidays these young warriors demonstrated their mau rākau skills in front of whānau and friends.

There were 15 boys across the region who came together at Te Whare Puawai o Tokomairiro to endure a three day intensive Mau rākau Wānanga. Mau rākau is a traditional Māori martial art using weapons such as stick or Taiaha. This unique programme gives rangatahi the opportunity to learn Māori ancestral practices, values and protocols of the warrior. Congratulations boys you have done your whānau and kura proud! Kei runga noa atu koutou e tama mā!

## Operation Christmas Child

Samaritan's Purse is a worldwide organisation. Each year, they collect shoe boxes filled with gifts for a child in a third world country.

This is your chance to do just that - it may be the only gift they ever receive.

Boxes are available at the Milton Hospice Shop between 10am-3pm Monday to Friday. Or by calling Heather on 417 7099. The boxes, once filled, can be dropped off at the Hospice Shop before the end of October.

Filling a box together can be a great thing to do with your family, friends, or with a neighbour, club or group!

## New House Group Shares History

With the rearranging of House Groups a few weeks ago, there have been new groups created and the opportunity to get to know each other better.

MaTH, Mr Thomas's new Year 7 and 8 Malcolm House Group, have created a paper quilt which shares the history of their names and their interests.

## Hina and the Eel

Retelling of a Maui Myth by Lilly Tiffany (Yr 7/8 Pr)

Once upon a time there was a girl and her name was Hina. Every day Hina went down to the river to collect water and every day she met an eel. One day, the eel swam up to her and gave her a shock with its tail. The next day the eel did it again to Hina and she got mad. So she told Maui and they set up the plan to kill it.

The next day they did it. Hina stood at the edge of the river and Maui hid. Hina saw the eel and stood back. Maui jumped out and cut the eel's head off and Hina was happy again. Maui and Hina buried the eel.

Out of the ground sprouted a coconut tree and every time Hina drank from the coconuts she saw her eel friend.

## Materials Technology

There has been a variety of work being carried out in the workshop recently. Senior student Lachie MacDonald has been working on completing his metal tray, and Year 9 students have been using the laser cutter to make Christmas tree decorations and puzzles from templates and their own designs.

## Milton Senior Citizen's Club

On Friday, 8th October, our President Olive opened the meeting, the Secretary read the minutes of the previous meeting, and the Treasurer read out the Balance of Accounts.

Our invited guest was Rachel Fegan, who talk about and show her peony roses which she has sold in shops and at markets for the last twenty years.

It was very enjoyable looking at the beautiful colours of her peonies, which will be ready in December to buy.

Eunice thanked her, and presented Rachel with a tray of fruit. Afternoon tea followed - beautiful pikelets with raspberry jam and cream (made by Pam). The meeting closed at 3:30pm.

Next meeting will be held on 22nd October - everyone welcome.

## Milton Sub Assn Indoor Bowls

They say third time lucky, and I guess you could say it was true for Indoor Bowlers when thanks to Covid, the Alec Philip Fours were finally played after previously setting dates twice before we finally got it right last Thursday night.

A team from each club made it to the final and in the first round St Mary's Gary Foster, Maureen Little, Christine Rogan and Erin Griffin beat Moneymore's Alistair Allison, Alwyn Read, Elizabeth Read and Chantelle Fegan 6-2 and Glenledi's Alan Philip, Graeme Hill, Max Taylor and Russell Copland beat Milton Country Club's Ray Low, Dave Findlay, Ryan Bloxham and Raymond Perry 12-2.

Round 2 saw St Mary's beat fellow 2 lifer Glenledi 8-2 and the Milton Country Club beat Moneymore 8-2.

Round 3, St Mary's had the bye and Milton Country Club beat Glenledi 5-4. In what was the final St Mary's with two lives beat Milton Country Club 4-2.

The prizes for this event were sponsored by Dennis Hayes and Gary Foster. Prize Giving followed supper, a full list will be in next weeks edition.

## News From the Trenches

I'm looking forward to a cold brew and witty tactical discussions this Thirsty Thursday at the Milton Bruce RSA, will be good to see plenty of troops at headquarters as I'm always in need of a good laugh. I've heard on my wireless that the next Clay Bird Shoot is finally being held on Sunday, 7th November which promises to be fun time for the troops involved - may your aim be as true as your heart is pure.

Our president got a chance to pick the joker last Thursday however he kindly turned over the wrong card giving us all a chance to take home the prize in the Joker Draw this week- what a kind hearted president we have. Cheers! Of course there are also the popular meat raffles and the Members Only Draw up for grabs so come on down to headquarters troops and try your luck. There are plenty of spuds still available for next year's Spud Dig Day being held on Saturday, 19th March so now is your chance to participate, just \$5 to enter. Friday nights Handle Club is a good evening for socializing with regulars while either throwing darts or conversing and solving the issues of the world. The Rugby pics competition has an early leader however I'm confident he can be challenged so come on rugby fans make bold moves - I can't have it all being left up to me, after all rugby is a team sport so let's all try our hardest to take the lead. Don't forget to either scan in via the NZ Covid Tracer app or write your details on the paperwork provided upon entering the Razza and if you haven't already done so troops please get your vaccine - both doses, thank you.

See you at the RSA, have a good one, stay safe and make sensible decisions troops, - *Sergeant Smith*
