Looking Forward to New Role

It is with the best of wishes that we farewell Daryll Reddington. Daryll has been appointed principal of Waitahuna School and will take up his new position next week.

Daryll has been the Head of Homeroom for six years. In that time he has also become a dean and the Head of Learning Support and he has thoroughly enjoyed coaching Cricket, Basketball, Futsal and could always be counted on to referee Basketball at the East Otago and Blue Mountain School exchanges.

Daryll always worked hard to make everyone in his class feel welcome. He is infamous for his 'Dad' jokes and we will miss his wildly colourful shirts.

Daryll is a primary trained teacher and he is very excited to be returning to his roots. We wish Daryll all the best in his new adventure and look forward to seeing his students heading through to become students at Tokomairiro High School.

Tokomairiro High School Newsletter...

SCHOOL MISSION: Inspiring Excellence in Education, in Character and in Life.

Kia ora and welcome to the start of the 2022, we hope that you have all had a fantastic summer and had a chance to refresh ready for another productive year.

Staff are already back at school and have been working hard over the summer to ensure lessons are engaging and informative.

Dates to Remember

The dates below are very important. Please make a note of them now. As you can see this is a slightly disruptive start so we will be attempting to get students on to timetable as quickly as possible. It is important for students to become familiar with their routines and establish positive work habits as quickly as possible in order for them to get the most out of this year.

Parent Portal

Parent portal will be up and running again soon with some added features so you can manage your student's daily routines and access reports and assessment information.

Passwords and instructions on how to use this will be available once we have tested the system fully so please be patient.

RED Traffic Light Setting

We will begin 2022 at traffic light setting RED and the specific factors that affect us are as follows:

- All students and staff must wear a face covering while at school. This will make life difficult and communication will suffer but we need to work through this.
- We will not be holding assemblies or large gatherings in the foreseeable future.

This information may be updated after Tuesday's Cabinet Meeting.

Start of year plans included a barbeque with Year 7 students and their parents as a welcome to the new school. We still intend to hold this and will do so when we return to orange on the traffic light system which will hopefully be soon.

We are looking forward to a great 2022 with our students succeeding in all areas of school life.
